SM Downtown Premier

✦ Pre-Configured Expansion: Iligan City Branch

1 Executive Summary & Value Proposition

ALRAJJ LEGACY Fortified Business Corp. is upgrading its multi-branch operations from vulnerable, manual spreadsheets into an all-in-one, cloud-synchronized **Enterprise Biometric HRMS, POS CRM, Procurement, Accounting, and Cloud DMS & E-Signature Ecosystem**.

This enterprise software eliminates human payroll errors, automates DOLE compliance notices and BPI BizLink batch disbursements, prevents salon cash shrinkage, connects franchise commissary purchase orders (MyTime) directly with Accounting AP via 3-Way Match, and provides a centralized paperless legal archive with Google Workspace integration.

2 Scope of Deliverables & Core Module Specifications

MODULE	KEY OPERATIONAL CAPABILITIES & DELIVERABLES
1. Sprout-Grade HRMS & Biometrics ✦	Complete 201 HRIS & Employee Self-Service (ESS): Digital 201 personal files, 1-click DOLE Certificate of Employment (COE), BIR Form 2316 tax generator, Service Incentive Leave (SIL) balances, branch weekly shift rostering, Overtime/OB errand slips, 13th-month accruals, and offline NGTeco Excel parsing with cross-midnight shift pairing.
2. 1-Click Biometric Payroll & BPI BizLink	Semi-monthly salary computation with exact Philippine statutory deductions (SSS, PhilHealth, Pag-IBIG, BIR 1601-C), 5-stage disbursement approval bar, BPI BizLink Batch CSV export, and official branded printable payslips.

MODULE	KEY OPERATIONAL CAPABILITIES & DELIVERABLES
3. Salon CRM & POS Service Tickets	Live walk-in/VIP client database, instant POS service ticket ring-up (Cash, GCash QR, Maya QR), automatic 10% technician commission crediting, and SMS booking reminders.
4. 5-Step PO Pipeline & MyTime Sync	Store requisition drafting, Lay Bare Franchisor / MyTime Commissary order formatting, management authorization, store delivery receiving & inspection (DR), and automated 3-way matching (PO ↔ DR ↔ Invoice).
5. Enterprise Accounting & BIR Tax Hub	Multi-branch P&L (Income Statement) with COGS, Philippine GAAP Balance Sheet, Daily POS cash drawer balancing (anti-shrinkage audit), Accounts Payable vouchers with 1-click BPI pay, and BIR tax compliance (1601-C, 2550Q, 0619-E).
6. Enterprise DMS & E-Signature Hub ✨	Document Management System linked to Google Workspace Drive Vault: Live digital signature canvas (stylus/mouse/touch), DOLE compliance verification hashing, audit timestamping, and pre-built customizable templates (DOLE NTEs, BPI Fund Authorizations, Store Leases, and Commissary Purchase Orders).
7. Role-Based Access (RBAC) & Custom Domain ✨	Granular Multi-Tier Authorization & DNS Hub: Role-based access matrix (Managing Director, HR Lead, Store Supervisors, Accountants, Specialists) with module-level security toggles; native custom domain binding (erp.alrajjlegacy-fortifiedbusinesscorp.com) with automated SSL/TLS encryption.

3 Multi-Branch Scalability, Google Workspace Domain & Iligan Expansion

🌐 **Google Workspace Corporate Domain & Storage:** The ERP platform is mapped directly under ALRAJJ LEGACY's official Google Workspace corporate domain (**erp.alrajjlegacy-fortifiedbusinesscorp.com**), with automated SSL/TLS encryption, Google Drive document synchronization, and multi-tenant security at **ZERO additional setup fee**.

✨ **Zero-Cost Branch Expansion:** SETHCON guarantees that upon commercial launch of the upcoming **Iligan City Branch**, the branch will be integrated into the multi-branch dashboard, P&L reporting, and biometric payroll at **ZERO additional software core license fees**.

4 Financial Investment & Milestone Payments

The total all-inclusive implementation, customization, and perpetual software license fee for the complete 7-module ERP suite across all operating branches is **₱150,000.00 PHP**.

MILESTONE PHASE	DELIVERABLE / VERIFICATION TRIGGER	%	AMOUNT (PHP)
Milestone 1: Mobilization & Architecture	Contract signing, database provisioning, multi-branch biometric architecture setup, and Google Workspace DNS routing.	40%	₱60,000.00
Milestone 2: Multi-Module Deployment & UAT	HRMS, Biometric Ingestion, POS CRM, 5-Step PO Pipeline, and DMS & E-Signature Hub deployed for User Acceptance Testing.	35%	₱52,500.00

milestone phase	Deliverable / Verification Trigger	%	Amount (PHP)
Milestone 3: Accounting Sync & Go-Live	Accounting module synchronization, BPI BizLink batch file sign-off, RBAC matrix validation, staff training, and live launch.	25%	₱37,500.00
TOTAL ALL-INCLUSIVE PACKAGE (7 CORE MODULES)		100%	₱150,000.00

5 Cloud Hosting, Maintenance & Retainer Terms

• **Year 1 (Months 1 to 12): 100% FREE (₱0.00 / month)**

To ensure a completely risk-free transition, SETHCON includes 12 full months of complimentary cloud hosting, automated database backups, statutory tax table adjustments, and priority technical support.

• **Year 2 Onwards (Annual Cloud Maintenance SLA): ₱12,000.00 / Year**

Starting on Month 13, an annual maintenance renewal of ₱12,000.00/year (equivalent to only **₱1,000.00/month combined for all 5 branches**) applies to maintain 99.5% cloud uptime, SSL security encryption, BIR/statutory updates, and bug fixes.

6 Lock-In Period & Exit Terms

- 1. Minimum Service Term:** An initial minimum term of twelve (12) months from go-live date to ensure operational stability.
- 2. 100% Client Data Ownership:** ALRAJJ LEGACY retains exclusive ownership of all employee, payroll, sales, and financial records.
- 3. Zero Data Hostage Guarantee:** Upon contract non-renewal, SETHCON guarantees complete export and turnover of all raw data (.xlsx, .csv, .sql) within fifteen (15) business days at zero additional charge.
- 4. Termination for Cause:** Client may terminate without penalty if system availability falls below 99.5% or critical calculation errors are unresolved within 72 business hours.
- 5. Non-Renewal Notice:** Either party may opt out of the annual renewal with sixty (60) days' prior written notice.
